By TOM CONRAD

Tobacco Fund Contribution Set at Five Cents - For price support eligibility on 1983 burley tobacco, farmers will be required to contribute five cents a pound to a no-net-cost fund on all tobacco marketed.

The fund ensures that the tobacco price support program is operated at no net cost to taxpayers in accordance with 1982 farm legislation.

Farmers who do not agree to contribute to the fund will be ineligible for price support loans and subject to a $1.36 per-pound penalty on all tobacco marketed. The penalty equals 75 percent of the previous year's average market price and is the same as the penalty that applies to marketing excess tobacco.

Provisions of the 1984 Wheat Program - Appomattox County farmers who participate in the 1984 wheat acreage reduction program will be eligible for target price protection at $4.45 per bushel, price support loans at $3.30 per bushel and payment-in-kind at 75 percent of the program yield.

The 1984 program contains a 30 percent acreage reduction requirement and a 10 to 20 percent PIK option for farmers who divert additional land. It does not contain advance deficiency payments. The signup period begins January 16 and ends February 24.

Program participants will be required to limit their 1984 wheat planted acreage to no more than 70 percent of the farm's wheat base, and devote to conservation uses eligible cropland equal to 42.86 percent of their planted and payment-in-kind acres. The 1984 acreage base will be the average of the acres planted and considered planted to wheat in 1982 and 1983.

Farmers participating in the PIK program will not receive wheat from Commodity Credit Corporation stocks. Producers who signup in the program will agree to use their outstanding reserve loans first and regular price support loans second, and those with no outstanding loans will agree to harvest for PIK. Producers with no outstanding loans and who are unable to harvest for PIK will not receive a PIK payment.

As in the 1983 crop program, land designated for conservation uses must have been devoted to row crops or small grains in two of the last three years except for a summer fallow farm. Under summer fallow rules, the land must be acreage that would have been planted to small grains or row crops in 1984 in the absence of the wheat program.

Haying will not be permitted on the conservation use acreage. However, the acreage may be grazed except during the six principal growing months. Offsetting and cross compliance will not apply to the 1984 program.

The 1984 wheat crop will not be eligible for immediate entry into the grain reserve. The size of the reserve will be reviewed before regular price support loans for the 1984 crop reach maturity and a ceiling may be placed on the size of the wheat reserve at that time which will preclude entry of the crop into the reserve.

The acreage reduction and payment-in-kind contracts are binding and liquidated damages will be assessed for failuture to comply with program requirements.

McLaughlin and guest enjoy Texas visit

Mrs. Charles E. McLaughlin has returned home after a 10-day visit with her brother-in-law and sister, Mr. and Mrs. R. J. Cope at Hilltop Lakes Estate, Texas. Accompanying her on the trip was her houseguest, Mrs. Ralph Gloyn of Porthcawl, Wales, who left for her home from Dulles Airport Saturday night.

RULES

October 31, 1983

TO THE VOTERS OF THE FIFTY-NINTH HOUSE DISTRICT

You have honored me for the past sixteen years in allowing me to represent you in the General Assembly of Virginia. Throughout the last sixteen years it has been my sole purpose to represent the people of Amelia, Appomattox, Buckingham, Cumberland and Prince Edward Counties to the very best of my ability.

You probably know that seniority in the Virginia Legislature is probably the most important factor in State Government. Over the sixteen years due to seniority I have become Chairman of the Privileges and Elections Committee, second ranking member of the Finance Committee and a ranking member of the Labor and Commerce Committee and the Rules Committee. I also serve as Chairman of the Virginia State Crime Commission. The fact that I have served in the Legislature for sixteen years elevated me to these positions and I feel that I can better serve the people of these five counties because of my seniority.

I can assure you that I will be available to all of the citizens of the five counties at any time that you feel that I can be of service to you.

I earnestly solicit your vote and support in the General Election to be held on November 8, 1983.

Sincerely,
Claude W. Anderson
